

Did you have a real Christmas tree this holiday season, but don't have a way to dispose of it? Your refuse company won't take it. And the Convenience Center doesn't handle yard waste and such.

***Yard Works has been offering free Christmas tree recycling to Powhatan residents for over 10 years in partnership with the Powhatan Anti-Litter Council!***

Once you are done removing all your decorations and lights, just take your tree to their Powhatan location at 1990 Anderson Highway between January 2<sup>nd</sup> and 31<sup>st</sup>, Monday through Friday, 7:30 a.m. to 5:00 p.m.

**Yard Works only accepts undecorated REAL trees.**

*(No ARTIFICIAL trees please)*
