

RECYCLING UPGRADES COMING TO ASHLAND IN 2013!

Benefits to YOU Include:

- Large cart holds four times as much as the bin, so less trips to the curb.
- Cart has wheels for ease to the curb. No more lugging multiple heavy bins!
- A lid to keep recyclables from blowing around or getting wet on windy & rainy days.
- Collection **every other week** means less days for you to put out the recycling.
- Less collection days mean less truck traffic in your neighborhood. A **green** choice!
- Recycling rewards for recycling at the curb! Visit www.RecyclingPerks.com to learn more and to **SIGN UP!**

Call the Recycling Hotline **804-340-0900** or visit www.cvwma.com for more information.

Curbside Recycling Guidelines

Recycling Just Got Easier!

Town of Ashland

- Your collection day is changing to every other week on **RED MONDAY** starting on January 7, 2013. Please have your cart at the curb by 7:00 am.
- A new collection schedule for 2013 will be attached to your NEW 96 gallon recycling cart.
- Delivery of your NEW 96 gallon carts will begin January 2, 2013. You can keep your smaller green bin if you would like. If not, simply place inside your cart and it will be picked up.
- Recycling Perks is a reward program offered by Ashland's recycling service provider. It allows you to earn points for recycling.
