**Did you know**  
that having 1,000  
residents in your  
community, actively  
composting would  
divert 600,000 lbs of  
organic waste from  
going to local  
landfills per year?

**Did you know**  
that one inch of rain  
falling on a 1,000 sq. ft.  
roof harvests up to  
600 gallons of rainwater  
for use on your lawns  
and gardens without  
turning on a tap?
