**Composting Workshop** Learn about Vermicomposting (composting with worms) and train your very own "red wigglers" to take home with you. The class will be held on Thursday, April 22 at 7 p.m. The \$10 fee covers all supplies. Call the Henrico Extension Office at 501-5160 for location and more information.

**Land Lover and Clean Business Awards** The Keep Henrico Beautiful Committee is asking residents to be on the lookout for businesses and homes that recycle, have a litter-free property and exemplary landscaping. Residents can nominate these properties for a Land Lover or Clean Business Award. Visit the Keep Henrico Beautiful Web site to submit a nomination during the month of April.

**Start Recycling! It couldn't be easier!** Recycling is available curbside to more than 80,000 homes, nine fire stations and both landfills. You have many choices, and recycling is completely paid for by the County of Henrico. Need another recycling bin? Use a container of your choice! Pick any rigid container up to 40 gallons. Call the Central Virginia Waste Management Authority at 340-0900 for more information.
